					First Named Inventor: David Alun James

As below named inventor(s), we declare that:

Our citizenship(s) are as stated below next to our name(s). We believe that we are the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled: SENSING APPARATUS AND METHOD.

The specification of which was filed on April 15, 2005 as application serial no. 10/531,591 and was amended on April 15, 2005. We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims as amended and by any amendment specifically referred to above.

We acknowledge the duty to disclose information that is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

We claim foreign priority benefits under 35 U.S.C. § 119/365 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on the basis of which priority is claimed.
